359 €

Take the best out of you with this perfect office/ musician chair

- High sides of the seat, specially designed to stable the balance of your guitar while you are practicing and not get tired so easily.
- The non-skid of the NAPA leather achieve that you sit solid and don't slip away.
- Bigger castors, which roll easy on the carpet.
- The foam pillow gives you the right support in your back and neck.
- The compact cold foam filling in the seat and back achieve an "oh- so good feeling"
